

## About

**Quan Juli Int'l** vertically integrates the metallic processes from shaping to finished products. We

specialize in customized engineering parts or components; just make good use of our expertise to optimize your outsourcing.

**We perform most of metallic processing in house, or with our subsidiaries and reliable subcontractors:**

Various kinds of Casting. Forging-Cold, Hot, and Drop Forging. CNC Precision Parts & Secondary Operation. Stamping/Spinning/Deep Drawn.

**You can benefit immediately with Quan Juli Int'l:**

Supply Chain Management /Orders Fulfillment with Total Solution /Cost Improvement./High Mix Low Volume production /To Door Logistic

**We strive for :**

Uncompromising quality /Short lead-time /On-time delivery /Cost Efficiency /Customers' Satisfaction

## Capabilities

### Precision Tolerance Escomatic Swiss Screw Machine Products.

To be direct and to the point, we are producing a variety of parts from:

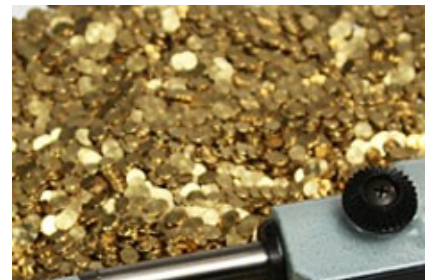

Diameter Capacities of: .020" - .160"

Length Capacities of: .010" - 2.00"

All parts are professionally produced and delivered -- completely free of all cut-off burrs and nibs, treated, plated and tumbled if required.

We offer in-house tooling capabilities along with a customized inventory management system that allows for just-in-time, bimonthly and monthly deliveries.

Call us for your next project and see what we can do for you.

## Sales

### Services Offered. Markets Served.

Escomatic Swiss Screw Machine Products

Full heat treating and plating services

Tumbling and cleaning department

Part color coding department

Customized inventories with just in time, bimonthly, and monthly deliveries

Complete tooling capability

Quick turnaround deliveries on re-orders

All of our services are performed in-house, reducing final costs, turnaround and worry.

Some of the industries we service are: Security (Locks & Locksmiths), Electronics, Automotive, Medical and Firearms. In addition, we are 3rd-party provider for many other manufacturers in a variety of industries.

### Looking for a new alternative?

Join the many companies that rely on our quality manufacturing, superior delivery and service. We pride ourselves on high-standards and delivering precision parts with consistency with every order, no matter how large or small your needs are.

Let us show you how easy we can make it for you. Provide us with your complete specifications and we will return to you a quote for the work you require. Email us at [juliintl@juliintl.com.tw](mailto:juliintl@juliintl.com.tw) or [sales.juliintl@gmail.com](mailto:sales.juliintl@gmail.com) , or call us at +886-7-2858385, or Fax at +886-7-213-4571, and Skype (No.: [juliintl](https://www.skype.com/name/juliintl)) for fast, friendly service. We look forward to working with you.

# Hand Tools - WT Series

ER-TSM391AAABS

3/8 Dr. 91PC Tool Set

1- 6" Cr-V Long Nose Pliers with Two Tones handle	30-1" S2 Bits:
